Hailing from the Sunshine Coast, Scarlett is in her first year of a Bachelor of Arts. *“Receiving financial support allows me to fully immerse myself in university life and be an active member of the Duchesne and UQ community. Thank you for investing in my future.”* Savannah is in her second year of Bachelor Arts/Law (Honours). *“The Create Change, Create Wise Women Bursary has made it possible for me to attend UQ and study the degree I have dreamt of doing since I was 12 years old.
